

# Privacy Policy

9MediaOnline is committed to protecting the privacy of our online clients. This document outlines our technology and practices we use to collect information.

## **WHAT INFORMATION WE COLLECT**

9MediaOnline does not aim to collect any personal information. However to help us serve our customers better, there is an option for our customers' to provide contact person's (individual's) name, email address and phone number.

## **DISCLOSURE OF INFORMATION**

9MediaOnline does not provide any of your personal information to our customers or their partners. The data we collect using cookies and pixel tags is only viewable by our customers and contains no personally identifiable information.

We may disclose a user's information to third parties when we reasonably believe we are obligated to do so by law, and in order to investigate, prevent, or take action regarding suspected or actual prohibited activities, including, but not limited to, fraud and situations involving potential threats to the physical safety of any person.

## **CHILDREN'S ONLINE PRIVACY**

We are in compliance with the requirements of COPPA (Children's Online Privacy Protection Act), we do not collect any information from anyone under 13 years of age. Our website, products and services are all directed to people who are at least 13 years old or older.

## **INFORMATION SECURITY**

We follow generally accepted industry standards to protect against the unauthorized access to, retention of, and disclosure of data. This includes undertaking necessary physical, electronic, and management activities required to protect data integrity, access, and use. Any data that is stored on our servers is treated as confidential information. Please keep in mind, however, that despite these reasonable efforts to protect data on our servers, no method of transmission over the Internet is guaranteed to be secure. Therefore, while we strive to protect your data at all times, we cannot guarantee its absolute security and shall not be liable for any breach of security by an outside party.

## **SPAM AND E-MAIL LISTS**

We do not intentionally send unsolicited e-mail messages that could be construed as spam.
